

Monmouthshire Meadows Group

Open Meadow at Blaentrophy Farm Sunday 14th July 2019

Blaentrophy Farm, Grosmont, Abergavenny, Monmouthshire NP7 8HN

SatNav

If using SatNav, please refer to these directions for the last part of your journey. SatNavs often take you the wrong way from Abergavenny, and the property is not in the centre of its post code.

The Farm Track

When you reach the track to Blaentrophy Farm please drive slowly and cautiously in low-slung vehicles, particularly over the drainage channel after about a hundred yards.

Please shut and secure all gates behind you where you find them closed, as there may be cows in the fields.

Please be prepared for some mud in wet weather, especially by the gateways, and bring appropriate footwear: this is an unmade-up track in a very rural situation.

Directions from Abergavenny

From the large Hardwick roundabout just outside Abergavenny, at the junction of the A40 and the A465, take the A465 in the Hereford direction.

Proceed 5.51 miles (8.87km) as far as Llanvihangel Crucorney. Turn right here, signposted Grosmont.

Drive up and over the hill for 3.34 miles (5.38km) and turn right, signposted Cross Ash. (This is the fourth public road on the right.)

Ahead of you is a long straight road stretching out down a hill (known locally as the Straight Mile). Take this for approximately half a mile to the bottom of the hill, then turn first right.

Carry on until the T junction past The Steps a small residential development. Turn right at the T junction.

The entrance to the farm is 200 metres on the left through a field gate. There is a sign saying Blaentrophy Farm.

Directions from Monmouth

From Monmouth, take the B4233 as far as Rockfield, where you turn right onto the B4347.

Drive through the hamlet of Newcastle, then, when the road turns sharply right, take a left turn.

Take this road to its end, then turn left onto the B4521.

Go as far as Cross Ash, which has a scruffy ex-petrol station on the right hand side. Turn right here (signposted Grosmont) and drive past a school which is on your left.

Counting from after the school, take the third turning left (these turnings are well spaced out over about a mile) about 30 yards past a little post box on your left.

Drive to the end of this road. Turn right, and the road becomes more lane than road.

Turn left at a field gate (signposted Blaentrophy Farm) a few hundred yards further on.
